SENATOR DUIS: Yes sir. I merely want to say that this would not do away with the bill because the bill does include in it right now the new word of contempt. I do believe that should be allowable to work release in the county or city jail for contempt of court. I just renew my plea and that is the people of my area have written and they have expressed the fact, and I believe rightfully so, that a felon should not be on work release from a county or a city jail. I also renew my plea that this may be the possible chance of taking away from a person the name of felon by the correction of other statutes which would correct the situation. Thank you very much.

PRESIDENT: Will the Clerk please read the motion.

CLERK: Mr. President, I move to return LB 276 to Select File for specific amendment. To strike the word "felony" in line 5, page 2.

PRESIDENT: Record your vote. Would you . . . all those who have not voted would you kindly vote. Senator Duis.

SENATOR DUIS: I'm sort of hesitating here. I don't know how many people are absent this morning. One person is absent. I won't ask for a Call of the House.

PRESIDENT: Record the vote.

CLERK: 23 ayes, 24 nays, 2 not voting.

PRESIDENT: Motion fails.

CLERK: LB 276 (read title). (mic inactivated)

SENATOR KEYES: Mr. Speaker, I would like to ask a question of Senator Murphy, the introducer of the bill.

PRESIDENT: Well is it a . . . would you address the question to the Chair.

SENATOR KEYES: Yes I would. In the last section of the bill it states in there, as I read it, if I should take and divide my farm into 10 equal chunks that I would have to have a license to sell those pieces of property, or else I would have to go through a broker. Is that a correct answer?

PRESIDENT: Well that question is out of order, Senator. That goes to argument again. The . . . all provisions of law relative to procedure having been complied with, the question is shall LB 354 pass. Record your vote. Record Mr. Clerk.
